

Dear Business/Community Partner,

It's not football season yet, but Hebron Hawk Football is gearing up for a great fall season! The coaches and players are already training hard and working on skills that are needed to be successful. And the Hebron Hawk Booster club is busy making plans to support the football program.

The booster club depends on you, our local business and community partners, for additional funding to enhance the football program. Here are some of the things that the Hebron Hawk Football Booster Club has done with your support in the past:

- Coaching clinics
- Player practice wear
- Training equipment
- Game Day programs
- Player uniforms
- Stadium flags
- Senior banners
- Video/audio technology
- Summer strength coach
- Scholarships

Our first game isn't until August but the Hebron Hawk Football Booster Club has high expectations and is excited for the upcoming 2015 season. We will be offering new sponsorship opportunities that will accommodate all levels of support (see enclosed flyer). By sponsoring the Hebron Hawk Football program, you will be aligning your business with an academically recognized High School that has earned the highest ratings in Texas' accountability system. Your business advertisement will be available to hundreds of families in North Texas or more depending on the support you choose. Everyone can join in the excitement of supporting Hebron Hawks Football!

Contact Patti Shirey at [lpshirey@gmail.com](mailto:lpshirey@gmail.com) or 214-707-7832 for additional information. You can also download the sponsorship packet off the Hebron Hawk Football Booster Club website at: <http://www.hebronfootball.com/>

Thank you for supporting your Hebron Hawks Football program!
